Meetings List since publication

13th September 2020

Below is a list of meetings that we have been told have CLOSED until further notice due to the **Coronavirus** situation - but which have not (that we have been informed) got an online replacement - or have amended their details from what is on the February printed list.

The list of **ONLINE** meetings in the area and those that have **RE-OPENED** after lockdown can be found on a separate sheet [here](#).

Guidance from GSO on the [prospect of physical meetings resuming](#) and establishing [online meetings](#) may be found [here](#) (see 20th March 'Meeting Changes' for the latter) and guidance for hosting Zoom meetings is [here](#).
