

# PHONING INTO ONLINE MEETINGS

For those who wish to phone in to the current online **Zoom** meetings, rather than join via the internet/video etc, you can call any of these numbers:

- 0203 481 5237
- 0203 481 5240
- 0208 080 6591

You will be asked to use the meeting ID, which can be found at the end of the links on the amendments sheet.

For instance, the meeting ID of the Friday Wilmslow group shown here is 506891209.

Friday	WILMSLOW <i>meeting temporarily online</i>	Meeting at St Anne's Church Hall closed 7.00pm until further notice but online Zoom meeting instead on: <a href="https://zoom.us/j/506891209">https://zoom.us/j/506891209</a>
--------	---	---

You will be asked to provide your 'participant ID' but, don't worry, we don't use those so just press # when asked.

To unmute (when you want to speak) press star symbol \* followed by 6. You can remute yourself by pressing \*6 again.

At this moment we are not sure about how to phone into any **Skype** meeting - but will add details if we find out!
